

Who is Knowsley Safeguarding Adults Board (KSAB)?

The Board helps make sure that people in social care and health services and people in voluntary and the community sector know about abuse and neglect.

The board helps to make sure people know why it is important to protect adults with care and support needs from that abuse or neglect.

There are people on the Board from lots of different organisations like Adult Social Care, Health, Police and Voluntary Organisations.

The KSAB has 3 core duties:

1. Write a strategic plan - to show what they want to do.

2. Write an annual report - to show what has been done.

3. Conduct Safeguarding Adult Reviews - to look at support given to people to see what was good and what was not so good so we can make support better in future.

For more information, please see the [KSAB website](#).
